

RECEIVE TOP AWARD . . . Receiving the Arrow of Light, highest award in Cub Scouting, at a recent blue and gold dinner of Cub Scout Troop 996 C were Cub Scouts Dean Fogle, Bernard Bailey, Robert Cramer, and Rex Lang, Jr., left to right. Also receiving this honor was James Craig, who is not pictured. Pictured with the cubs are Scoutmaster Rex Lang, center, Leader Jimmy Michaleya, right, and the following mothers: left to right, Mrs. Fogle, Mrs. Bailey, Mrs. Lang, and Mrs. Michaleya.

Arrow of Light Awarded to Five Cub Scouts

Five members of Cub Scout Pack 996C received The Arrow of Light, the highest award in cub scouting, at a blue and gold dinner held recently at the Sepulveda School cafeteria.

Cubs selected for this honor were Dean Fogle, Bernard Bailey, Jimmy Michaleya, James Craig, and Rex Lang, Jr.

Following a turkey dinner prepared under the leadership of Andy Anderson, the monthly pack meeting was conducted by Don Smith. Plans were formulated to hold a pancake breakfast Saturday, March 14 and a snow trip, barbecue lunch outing.

Preceding the awards of the arrow of light, the group received its charter for the year from Scoutmaster Jack Nicholson, and the group honored committee members Don Smith, Andy Anderson, Bob Learings, Art Lytle, Wayne Liber, and Robert Cramer. An Art Linkletter film was shown. Mayor Isen, honored guest, was introduced by Rex Lang,

after-dinner speaker. The troop is sponsored by the Southwood Homeowners Assn.

A .331 SLUMP!!

Fran Boniar hit .331 for Des Moines, Dodger farm club in the Class A Western League last season, but that practically was like being in a slump. He was a two-time winner of the Hillerich and Bradsby Silver Bat as baseball's top hitter—in 1955 at Hornell, N. Y. (.435) and in 1957 at Reno, Nev. (.436).

Full House Will Be Race Feature

Three Jacks and a pair of Aces give Gardena Stadium's brigade of CJA hot rodders a "full house" for torrid racing action today. The Jacks are Austin, Kelly and Johansen, the latter being a promising newcomer from San Bernardino. The Aces are Art (Ace) Atkinson and Billy (Ace) Wilkerson, veteran speed merchants.

Gardena's races start 2:30 p.m. after time trials at 1.

Kelly continues defying auto racing superstitions by driving a green painted car carrying No. 13. For some obscure reason, green is considered a jinx—but Kelly was third in the trophy dash and fourth in the main event recently, so he says he'll keep the formula until proven wrong, superstitions or no.

C. of C. Cited For Program

Harry Lintz, district manager of the Chamber of Commerce of the United States, visited Torrance this week to present the Torrance Chamber of Commerce a citation for "All Around Achievement."

Torrance was one of eight California cities to receive such recognition and one of 187 of the 4000 national chambers to be honored in this manner. The citation qualifies Torrance to compete in national finals next month.

The Award is for a well-rounded program of work, particularly in the fields of business development, community betterment, economic understanding, legislative action and organization improvement.

Other California cities qualifying in the "outstanding category" were Pasadena, Monrovia, Redwood City, San Bernardino, San Leandro, Santa Ana and Santa Monica.

TEAC to Discuss Counseling in School District

Counseling and guidance of students in Torrance schools will be the topic of discussion at the Torrance Educational Advisory Committee meeting to be held at noon tomorrow at the Torrance YWCA.

Dr. Warren Hamilton, director of special services, will emcee a discussion of the various ways in which the schools try to help students plan for their future schooling and vocation.

Participating in the discussion will be Robert Dollarhide, school psychologist; Lysle Albro, work experience coordinator; and Dale M. Harter, North High principal.

Assistant Superintendent S. E. Waldrip will present a report on the state of school building.

Eighth Grade Parents to Visit T.H.S.

A new twist in open school nights will be featured Tuesday when eighth-grade parents of Torrance High School students in visiting the high school classrooms.

Receiving invitations to the open house are parents of the graduating classes at Fern Greenwood, Madonna, Torrance Elementary, and Wood Elementary Schools.

Preceding the classroom tours, according to Carl Ahee, principal, will be a brief PTA meeting. Serving of refreshments will conclude the evening's activities.

Steel Division President To Speak Here on BIE Day

Leslie B. Worthington, president of Columbia-Geneva Steel Div. and Columbia Iron Mining Co., U. S. Steel Corp., will be featured speaker at the morning session to Business-Industry-Day, Tuesday March 17th. The event is sponsored by the education committee of the Torrance Chamber of Commerce.

A graduate of the University of Illinois, Worthington began his career with United States Steel in 1923 as a sales apprentice at South Chicago. He was identified with the sales organization of the former Carnegie-Illinois Steel subsidiary of the corporation for 19 years in Chicago, St. Paul, Detroit and Pittsburgh in management capacities. Elected vice president of U. S. Steel Supply Div. in 1942, four years later Worthington became president of the organization.

Since becoming president of Columbia-Geneva Steel Div. of U. S. Steel on Jan. 14, 1957, Worthington has been active in many civic affairs, having served as chairman of the advisory board for the 1958 San Francisco Bay Area Science Fair, serving as member of the board of governors of the United Bay Area Crusade, and of the board of trustees of the San Francisco Bay Area Council. He is also a member of the board of directors of Stanford Research Institute, the board of directors of the San Francisco Chapter of the National Safety Council, and the board of directors of the Calif. Traffic Safety Foundation.

LESLIE WORTHINGTON . . . B.I.E. Speaker

Dr. Hull to Lead Panel At U.S.C.

Dr. J. H. Hull, superintendent of Torrance Schools, will be a panel leader at a Community Career Conference to be held at the University of Southern California in the Town and Gown Foyer Thursday, April 9.

Intended as a new approach to the problem of introducing high school talent to the requirements of a variety of vocations, the event is being sponsored by SC and the Industrial-Educational Council.

Each of twelve tables will be presided over by an authority from industry or a profession representing such fields as chemistry, engineering, law, physics, mathematics, teaching, medicine, business, and accounting. Guests will include two high school students and their teachers and advisers, together with an SC faculty member and student.
